While you focus on your customers,
we focus on your managing your key
business functions.

Your primary focus: Your customer
Your trusted partner: RN Group

In today's world, organisations cannot afford to be weak on their strategy. While technology and other assets have their own competitive advantages, it is the deployment of the right strategy which ultimately drives long-term sustainable growth.

The RN Group is a pioneer in giving organisations the strategic advantage of outsourcing its key functions and also in assisting the business through a host of services that enable it to go "Asset Light". We provide timely, reliable and cost effective solutions at every stage of your organisation so that you could focus on your primary business – your customers!

Some of the most prominent organisations in India rely on the RN Group for managing their multiple business functions with excellent results. They have outsourced their key functions to us, thus making us a partner in their growth.

Talk to us once to know the important ingredient of a successful business.

About Us

We are India's leading Management Solutions company.

Established in 1994, we have an experience of over 25 years of supporting over 200 successful organisations in the country. With over 180 expert and experienced consultants, we help businesses by managing their key functions. While we started as an HR Management consultant, we have successfully diversified into other functions as well over time.

Today, organisations not only depend on us for manpower related solutions, but also on key areas like customised Payroll management, Logistics, Integrated facilities management systems, Staffing services and Training Support.

As an ISO 9001: 2008 certified company, the RN Group is known for its high standards in supporting organisations through:

Quality Services

- Customised processes
- Knowledge sharing
- Industry best practices

Effective Communication

- Prompt response
- 24/7 support
- Regular and periodic updates

Robust infrastructure

- Well equipped corporate office
- Robust IT systems
- On-the-job training facilities
- In-house Technical training center for staff

Operational Excellence

- Adoption of ethical business practices
- Transparent and unbiased policies
- Staff welfare programs
- R & R activities for staff

Vision, Mission & Values

Vision: Enabling organisations to perform their primary function of managing its customers successfully is our primary objective. We do this by supporting organisations by enabling them to outsource their non-core functions to us.

Mission: We aim to become one of the top 10 management solutions company of India by 2025. We also aim to be the most trusted and reliable outsourcing company by then.

Values: Since we partner with some of the most successful organisations in the country, our values have been derived from the best practices of such illustrious organisations.

- **Focus on Customers:** We have a passion for service and are committed to knowing our customer's business, understanding their needs and exceeding expectations.
- **Promote Honesty, Integrity and Trust:** We honor our commitments and conduct business in a manner that promotes justness, respect, honesty and trust.
- **Celebrate Teamwork:** We encourage diversity of thoughts, experiences and welcome participation.
- **Encourage Communication:** We encourage our stakeholders to give inputs and strive for transparency with deeper involvement.
- **Embrace Change and Innovation:** We are open to possibilities and foster creativity & risk-taking to support continuous improvement of our organization.
- **Champion Employee Development:** We are committed to maximizing the potential of every individual to support and promote the work culture as a learning platform.
- **Model Leadership:** We lead by example and advocate equitable treatment in our behaviour, policies and practices.
- **Produce Quality Results:** We believe that those we serve deserve excellent service, a safe, productive & healthy work environment and sustained quality results.

Be it the sensitive payroll management or the effective logistics support, we have proven our worth with excellent results. No wonder, over 200 organisations trust us by outsourcing their key business functions and trust us completely with our understanding of their business and its critical requirements. We have emerged as a partner who:

- **Is dependable**
- **Is experienced**
- **Is Expert**
- **Comes with a proven track record**
- **Has excellent infrastructure to manage businesses**
- **Has excellent ethical & operational policies and**
- **Someone who could be trusted and depended on in all situations and conditions.**

Our Services

We began as an HR management consultants in 1994. Over the past 25 years, we have diversified into providing other business solutions as well. Today, RN Group is known as one of the most reliable partners when it comes to outsourcing of key business functions. We provide our services to a wide range of business sectors and industries like:

- Logistics & Supply chain, E-commerce
- Engineering & allied services
- Healthcare, Pharmaceuticals & Hospitality
- Corporate Services, BFSI, IT & ITES.
- FMCG, Retail etc.

Customised Payroll Management

For any organisation, one of the most important, but also the most cumbersome process, is Payroll Management. With our Payroll Management process which is fully customised to meet your requirements, we take the effort out of this activity thus freeing your HR team to manage other strategic issues.

- Sector or organisation specific customisations.
- Cost effective and speedy.
- Designed to improve efficiency.
- Easy compliance to all statutory requirements.
- Data available on a real time basis.
- Access to information basis the hierarchy and a need-to-know basis.

Logistics Solutions

We ensure that the right product is made available to the right person, at the right time and place and in the right condition. Our Logistics Solutions are designed to enhance the last-mile brand experience. We impact areas like:

- Warehouse management
- Transport Services
- Last-mile delivery
- Field support services and
- Supporting specific local requirements

Services

Integrated Facilities Management

We have a large team specialising in Soft and Hard Integrated Facilities Management across India for multiple sectors. Our services include:

Soft Services

We have trained manpower to manage housekeeping Services, Chauffeurs and Drivers for vehicles, Mailroom, Pantry, Lawn & Garden managers and Guest House attendants etc.

Hard Services

Our experienced staff is well equipped to manage activities like Industrial Maintenance, PPC systems & Procedures, HVAC, Gardening & Landscaping, Pest Control, Façade Cleaning etc.

Staffing Services

Before our diversification, we were as specialist staffing solutions provider. With an experience of close to 25 years, today we are known for our customised staffing solutions and our ability to undertake complex assignments that few dare to venture. Also, our deeper understanding of various sectors enables us to come up with innovative solutions and a richer talent pool. We pride in:

- Creating customised organisation specific modules.
- Our ability to work across different industries and sectors
- Access to richer talent pool due to our expertise in multiple sourcing channels.
- Bring efficiency and speed in the recruitment process.

Training Support

Given the dynamics of the industry, up-skilling and re-skilling of staff is very important to retain the competitive edge. We work closely with the concerned teams from organisations to identify training needs and develop time-bound and effective training solutions within prescribed budgets.

Depending on the training requirements, the programs could be conducted on-site or off-site as per the organisations needs and staff convenience.

“DO WHAT YOU DO BEST.... AND OUTSOURCE THE REST”

- Management Guru Peter Drucker.
